

WORLD CLASS PROTECTION FOR FIREFIGHTERS - WORLDWIDE

Eagle Technical Products are one of the world's leading manufacturers of best-in-class fire suits, hoods, headwear, gloves and other FR garments. Our specialists are experienced in technical garment manufacture to the highest standards.

WORLDWIDE FIREFIGHTER PROTECTION

Complete firefighter solutions around the globe.

For over 20 years Eagle Technical Products have successfully delivered major contracts to clients all over the world, including Asia, Europe and South America.

Protecting your people is what we do.

We won't compromise their safety, so we don't compromise on the quality of our products.

We work with you to establish precisely what your requirements are and then create a solution that delivers.

As part of our tailored solutions, we work with world leaders in fabric development and innovation, including Carbon X, DuPont, Kermel, Lenzing FR, Nomex and PBI Performance Products.

ADVISE > DESIGN > MANUFACTURE

HIGHEST STANDARDS OF FIREFIGHTER SAFETY

Your firefighter solution starts with a conversation. We combine our unique industry expertise with your individual requirements to build a complete picture, then work with you to provide the most appropriate solution.

Our range of fire suits, headwear, gloves and clothing is designed for a wide variety of demanding working environments. However, if we don't stock exactly what you need in our extensive range, we can offer a

bespoke design and manufacture service - delivering the highest quality to meet your needs through our expertise and control of the entire process.

Layered Approach

We can work with you to achieve a rating upto 40 Cal/m².

Please [contact us](#) to discuss your requirements.

WE ADVISE

As an industry leading, global provider of protective clothing and equipment, we advise you on the best solution to suit your needs.

WE DESIGN

If our range doesn't include the right product for a particular task, our specialist designers will create it bespoke. We can also brand any product according to your requirement.

WE MANUFACTURE

We have the experience and the expertise to manufacture bespoke products ourselves, giving us total control over the whole process.

Eagle are ISO 9001 certified for Design and Manufacture of Flame Retardant PPE

ETF20CX

Flash Hood

Designed to minimise the risk of heat exhaustion in the wear via the half shoulder design, this flash hood is manufactured from Carbon X fabric and is available in various sizes.

ETF20TKV

Flash Hood

Manufactured from Kermel viscose fabric, this flash hood provides an excellent fit and proper protection to the head and around the shoulders.

ETF20TKV-2

Flash Hood

Manufactured from Kermel viscose fabric, this flash hood boasts a laminated membrane to provide particulate protection to the head and neck. The design provides an excellent fit and proper protection to the head and around the shoulders.

ETF20PBI

Flash Hood

Manufactured from PBI fabric, this flash hood provides an excellent fit and proper protection to the head and around the shoulders.

ETF6HVN

Flash Hood

Designed with a full shoulder for an excellent fit and extra shoulder protection, this flash hood is manufactured using Nomex and Kevlar.

ETFWFFMASK/ETFWNFFMASK

Wildland Fire Mask

FireCat offers extreme protection against burns to the face and neck for wildland firefighters. All components are manufactured from flame retardant materials and we use Carbon X or Nomex to maximise thermal protection.

WE DISTRIBUTE WORLDWIDE

Eagle Technical Products was formed in 2002 to meet the needs of a wide cross section of emergency service workers who require the highest level of service and protection available from their protective clothing. The Directors of Eagle have been involved in the PPE sector for over 20 years, giving our customers confidence in our ability and experience within this sector.

FIREFIGHTING

Eagle Technical Products are a world leader in firefighter clothing. We provide bespoke solutions that are used by firefighters all around the world, to offer them the maximum protection against heat and flame.

POLICE WEAR

Eagle Technical Products are a valued supplier of FR undergarments to many police forces around the United Kingdom. We design and manufacture these garments in-house.

FR INDUSTRIAL WEAR

Our highly qualified design team work hand in hand with our customers to create garments that are comfortable, stylish and most importantly safe. These unique designs can be tailor-made to specific workforces.
